

Truong Tien Dat

.NET Developer

truongdat2232@email.com | 096 5784 310 | Viet Nam, Nha Trang

Summary

Experienced .NET Developer with almost 2 years of expertise in building scalable web applications. Proficient in C#, ASP.NET, Postgresql, MySQL. Strong problem-solving skills with a passion for clean code and continuous learning.

Skills

C#

ASP.NET Core

SQL Server

Entity Framework

Postgresql

MySQL

JavaScript

TypeScript

Angular

REST APIs

Golang

RabbitMQ

Experience

Intern Developer

TMA Solution

10/2022 - 02/2023

- Learned about software development and maintained web applications using ASP.NET Core and Angular.
- Implemented RESTful APIs using ASP.NET Core Web API and responsive frontend with Angular Framework.
- Optimized database queries for improved performance.

.NET Developer

IDB Corporation

08/2023 - 08/2024

- Developed and maintained Autocall applications using ASP.NET Core and Asterisk.
- Implemented business logic, data access layers.
- Collaborated with QA team to ensure code quality.
- Participated in Agile development process.

.NET Developer

Squareone Soft

09/2024 - Present

- Developed and maintained scalable web applications using ASP.NET Core, focusing on admin dashboards and user interfaces.
- Implemented RabbitMQ for efficient message queuing and Redis for caching frequently accessed data to enhance performance.
- Collaborated with the QA team to ensure high code quality and participated in the Agile development process to deliver accurate software solutions.
- Acted as a proactive team member, fostering collaboration between developers and testers to meet project deadlines and maintain high-quality standards.

Education

Bachelor of Software Engineering

FPT University, HCM Campus

2020 - 2024

Projects

Youshop

- Developed a Back end e-commerce platform using Golang.
- Implemented payment gateways, shipment service, order service, product service, authentication and shopping cart functionality.
- Used Golang and Gin framework for WebAPI and Postgresql as a database
